Internet Guidelines & Procedure

To maximize internet availability and to insure fair accessibility for all, please follow these guidelines:

- 📖 You will need a Calhoun County Public Library card.
- 📖 Please Sign in and out at the front desk.
- 📖 You may use the internet computer for one hour. If no one is waiting for the computer the time may be extended. If someone is waiting to use it, you must relinquish it to the waiting individual.
- 📖 You may not use your own software programs on the computer.
- 📖 If you wish to save files you may purchase a disk for \$1.00 or a CD for \$2.00 from the Library. Printing charges are as posted. You may not bring in your own disks or CD's.
- 📖 Saving times vary considerably. Please remember that the time limit on the session is one hour. **WARNING:** Although we use a virus-checker on the computers this will not completely protect you from the chance of getting a virus.
- 📖 Misuse of the computer or internet access (i.e. tampering with files, saving data to the hard drive, etc.) will result in the loss of your computer privileges.
- 📖 Due to Library staff scheduling, Internet trained staff may not always be available.

The Calhoun County Public Library does not monitor and has no control over the information accessed through the

Internet and cannot be held responsible for its contents. As with other library materials, restriction of a child's access to the Internet is the responsibility of the parent/legal guardian.
